

Militant Priest's

October 2003

Militant Priest's, Jesus King Priest with HIS' 5-fold U.S. church, vision portion) Second and last part of a vision received: 10-10&11-'03 '.....astounding me, these many Believers; Men, women, youth and children who had been touched by the fiery stones falling like snow upon them, began to change and they melded and formed upwards into a giant American soldier ! ~ whose spread legged, army booted feet stood almost from one coast to the other coast of this nation. I looked closer then and saw that this soldier was a woman. She wore U.S. army fatigues and cap with her hair tucked up. I could not really make out her facial features clearly, though, and I believe this was because she was a showing to me of a corporate woman/church. But I did see that on her breast pocket she had five gold six-pointed stars. She held a large black bible in her left hand which had a big gold cross engraved on it's cover, almost filling the whole cover in size..... (It was given to my understanding as I watched this, that this soldier represented the church militant - U.S., and she was depicting the ministries and ministers of and in our Lord's' 5-fold authority [stars on shirt pocket]) In this stance she then raised her right hand, palm up, as a policeman might do to stop traffic. And as she did so, she swung The Book in her left hand around over all the land. She gave a great yell as she swung – I could see the sound waves flowing out in all directions as she powerfully yelled this one word, "E N O U G H !" This yell reverberated and seemed to echo all over, going out in all directions. After some time she knelt down, and the soldier woman appeared to be now normal size, for I could dimly see some of the land surrounding her. She fell to one knee and bowed her head in prayer stance. Immediately I saw Jesus there standing next to her, as she knelt on this ground somewhere in the midst of the nation. I was not given to see the surrounding land clearly... It was as she knelt that I saw she had rockets or missile-like weaponry of some sort, on her back. I counted seven of them. I saw that the tip of each one glowed like heated red metal. On each stalk of these missiles there were etched scriptures and words written in a mosaic patterns with sentences running all different directions around the stalks. I could only read some words, such as "For God so LOVED....", "Jesus Christ, the same yesterday today and forever....", "..... by your LOVE for one another..", and so on..... The soldier woman lifted her head, alert to Jesus presence. And Jesus spoke only this to her, "I have heard you, and I do hear you." Then without speaking further HE lifted one of the missiles from her back and handed it to her. As I've seen before in visions, the missile duplicated so that Jesus still held the missile, and the soldier had one also. Jesus indicated to the woman as their eyes met, without speaking a word, that she was to follow HIS lead. She understood, nodding her head slightly in agreement with HIM. Jesus placed the missile to his mouth area, glowing red missile head outwards.....the soldier did the same. Jesus then blew out from his mouth and nostrils and a huge straight flame of fire, like a fire-thrower, emitted from HIS mouth and nostrils shooting the rocket-missile up and out. The soldier seemed only a second behind HIM in doing the same. Jesus proceeded to do this with the second rocket-missile, and the soldier followed HIS lead, until they finally had shot seven times (x2 equaling 14

missiles total) out into the air, flying off over the land, through this fire power of breath through mouth and nostrils..... amazing sight. As I looked, wherever these missiles flew the land below them began to pitch and roll as in a lot of turmoilthese seemed to be guided supernaturally missiles as they took straight paths and then would turn this way and that.... I did not see these missiles come to ground...I did not see that part or if they ever did, though I strained to watch and see.... Then I looked back to Jesus and was shown HIS garments, whereas I had not noted them before in my seeing, it was as if only just now they were being revealed to me.....dressed in royal and priestly garments, blue and purple and gold with white linen showing. On HIS head was a shining gold crown that formed letters across His forehead reading, H O L Y. Then HE reached out to take the woman's hand and lift her up, for she was on her one knee this whole time with the large bible resting on her other crooked knee -- I saw that she also was now attired like Jesus and her smaller gold crown formed the words written across her forehead, H O L I N E S S to The L O R D. As their hands touched, Jesus King Priest and now-royal-priest-clad woman, HE and she both were once again huge, overshadowing the whole nation.....and then she somehow changed again, before my eyes, back into the many people, the men and women of all ages, the youth and children.....it seemed there were thousands of them. They formed into groups large and small, but none smaller than two or three people, and they began to move out.....and I watched them walk away in all directions, whether they were going back to their homes in cities and rural places, or to new places I did not know. ...but their feet seemed to have something like flashlight beams shining ahead of their path as they went, for it was twilight time (not full daylight and not yet full night darkness). Some other things I saw of these teamed ones, were that their ears, were twice as large as normal ears, and looked like bright metallic flesh of some sort. I saw that they all, adult and children alike, now had missiles on their backs too, some one, some five, some seven and so forth. Each one also had night goggles, night vision glasses, hanging round their necks.. The land, the earth was continuing in turmoil but as I watched these groups walk out in all directions, in the dimming light, I saw the land would calm before them, before their path, as they proceeded....forward. ‘ ~end of vision. The Lord spoke to me that this presently is a time for checking our backs and the backs of our brothers and sisters.....HE said we are to "count the missiles" ,,,,,,when one lacks a full measure we are to share and equip that one further. When the balance is exactly right (& I see in Spirit an old fashioned hand-held scale for weighing,,,,,, now) Balance of HIS knowing, then these things I was shown in this way of symbol and vision, that have been and must continue to be prayed and spoken forth, will come into our land and people the more so ~ resultant in dynamic changes and release of many many people of this nation, turning for Christ Jesus our Lord. In this process,,,,,, thusly affecting and touching the land, the institutions and our government. Much has already begun, but at the time of perfect balance - *HIS* ,,,, then our Lord will sound a fresh 'call to arms' to all those who walk in five-fold ministry authority. Further HE explains that these people I was shown in this vision, were not all and only official ministries, but are all of HIS people and Body who are ones of five-fold authority In Christ, who are the men, women, youth and the children I saw, old, young, all ages in and of Holy Spirit' perfect measure,,, for each one. re: The 2 X's size ears equipment, 'He that has ears to hear, let him hear what The Spirit says.....' ~ Bill & Vicki C. Some further and scriptural understanding of this vision of Oct. 10/11, '03, as offered and shared,, by Lloyd Phillips <http://www.flintnet.org> ~snip~ I think you have this correct - (It was given to my understanding as I watched this, that this soldier represented the church militant - U.S., and she was depicting the ministries and ministers of and in our Lord's' 5-fold authority [stars on shirt pocket]) Song 6:10 Who is she who looks forth as the morning, Fair as the moon, Clear as the sun, Awesome as an army with banners? THE SHULAMITE Also six means man or labor, the six sides to the five stars means that we (bride) are involved in accomplishing the Lords work shown through this vision - co-laborers with him. The image of the woman with the bible in the left hand and raising the right is too much like the statue of Liberty to be ignored. That statue has come to represent America in many ways, and certainly our openness to receive people, from all around the globe. On the book Liberty holds are the Roman numerals for 1776, from our beginning or foundation. The Army bride has authority and foundation pre-dating the declaration of independence all the way to the cross. The word "E N O U G H !" was "to stop traffic" one definition of the word traffic is = buying and selling; barter; trade, sometimes, spec., of a wrong or illegal kind ! .. traffic in drugs] This is a picture of the church saying enough to the illegal trafficking of our God given rights as AMERICAN Christians. Many believe this happened when the 10 commandments were removed from the Alabama court house, that the Church finally has had enough, and has said "enough". This cry is being heard and spoken across the land, not only in Alabama. Then she "fell to one knee and bowed her head in prayer stance". Knees represent prayer, worship, humility, yielding. Many of us at FLInt Net have been receiving attacks on our right knee for weeks. We have come to believe that the Lord is communicating with us not to yield to the temptation to give up on our prayers and worshipping Him for the things we seek, just a little more and we will receive them if we do not faint (give in to sore knees). The seven missiles are the seven spirits of God - because they are spirit they may multiplied by the Law of the Spirit of Life and increase and never be diminished even though they are distributed or "given away". Is 11:2 The Spirit of the LORD shall rest upon Him, The Spirit of wisdom and understanding, The Spirit of counsel and might, The Spirit of knowledge and of the fear of the LORD. Fourteen (14 missiles) as in 7 X 2 is spiritual perfection being confirmed, also a double portion of spiritual blessing. In Matt 1 Jesus' genealogy is 14 generations divided into two sevens, thereby showing that 2 may be the number for incarnation. In this light it may represent the ascended Christ in-dwelling in His people upon the earth. This is further confirmed by coming from His mouth, where breath comes from - Breath = Spirit also spirit goes out upon words. Ps 33:6 By the word of the LORD the heavens were made, And all the host of them by the breath of His mouth. 2 Thes 2:8 And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. Luke 4:4 But Jesus answered him, saying, "It is written, 'Man shall not live by bread alone, but by every word of God.'" The seven spirits which go out on words and The Word - will once again "turn the world upside down" as in the first century Church = Acts 17:6, as represented by the pitching & heaving of the land. Rom 8:22 For we know that the whole creation groans and labors with birth pangs together until now. The seal on His forehead, and that of the Bride was the seal of God = Rev 7:3 saying, "Do not harm the earth, the sea, or the trees till we have sealed the servants of our God on their

foreheads." John 6:27 "Do not labor for the food which perishes, but for the food which endures to everlasting life, which the Son of Man will give you, because God the Father has set His seal on Him." The seal reads "Holiness to the Lord" 1 Pet 1:15, 16, but as He who called you is holy, you also be holy in all your conduct, because it is written, "Be holy, for I am holy." The feet of the nation also begins to be lead once again by the Word and words of the Lord = Ps 119:105 Your word is a lamp to my feet And a light to my path. People will once again turn their hearts and ears to the Lord and listen to Him and obey. Is 50:4,5 "The Lord GOD has given Me The tongue of the learned, That I should know how to speak A word in season to him who is weary. He awakens Me morning by morning, He awakens My ear To hear as the learned. The Lord GOD has opened My ear; And I was not rebellious, Nor did I turn away. Over all, the vision is one of victory of the Church "taking back" America and saying enough to the illegal trafficking in our right as citizens of heaven and of America. The Spirit will fight the battle, the Lord will go before, and the battle will be primarily with words and His Word bringing the victory. Many will come in and many will turn to him. There will be a returning to our foundations, and many will be equipped and raised up to serve Him and one another. Many will be trained or gifted in differing aspects of His 7-fold Spirit, some will be gifted in all aspects. This is a Vision of victory coming to the Church in the USA. Praise the Lord it's about time - ENOUGH!
