Two Men/Eagle and Farm Animals dream[s] / night visions 9-22-99

In the first dream scene I see a huge rock mountain, only 'mountain' is not quite the right description. It is almost like a surreal rock monolith with almost straight up and down sides, but natural, and bigger at the base, and very high ...

As I am above, I see two men, as mountain climbers, are just climbing over the crest, up onto the mostly level top area, which is not a very large place in circumference. They then cross to the other side.

I am below now in view, and as I look up I see the two men immediately leap from the top together, in unison, out into the air! I'm startled for an instant, but then they seem to become one smoothly gliding body, leaving a viewable trail in their path - & instead of falling, as I expected, they 'swoop' downward and outwards together for a ways, and then they level off, and come directly towards me... Now I see that the two men have become one huge eagle, and as this eagle passes right by me I see that he has a gigantic eye, on his profile that I am viewing as he passes by me, gliding, the huge eye shown me is almost larger than his head, this piercing huge eye...

The next scene is a mother hen brooding over a nest of eggs, and I think a few chicks that have hatched as well. She flaps her wings out partially /slightly, now and then, and ruffles her feathers out over the eggs. What is remarkable to me is that she also has these VERY huge eyes, outsized to her head, and body ... I don't really notice the surrounding scene, but it seems she is in a cozy barn-like chicken house, or whatever...

In the final dream scene I am standing in the open front door of my home. Nice sunny day. A very large man is walking up my driveway. He has come to assist me in slaughtering my pig, or hog (?), for me. He builds a scaffolding in the back yard (which all happens lightening quick in the dream, binds the pigs back legs and strings the pig up to the top cross-bar of this scaffolding, and proceeds to slit it's throat with a butchering type knife of some sort... This is very gross for me to see, and wakes me instantly!

1.) The two mountain climber men are indeed representing the apostles/prophets, who become one (unity) in their specific 'work/ministry' of Holy Spirit for today... From God's high place of revelation (mountain) which they have achieved (climbed to top), they will cross to the other side now and 'launch out together' in their ministry, and in a spectacular way that all folks/church (my viewing from below) cannot miss seeing...

Their becoming one very large eagle flying/gliding of course speaks of their unity in this supernatural ministry for today... One IMPORTANT part of this two-fold ministry (apostles/prophets) will be that 'nothing will be hidden' from their OVERSIGHT (huge eagle eyes), or we could say, they will come "exposing" the righteous as well as the false, swooping down quite suddenly it would seem, and over the Church (myself viewing from below, representing what folks will see at this eventuality)

2.) At the very same time these overSIGHT (hen with huge eyes) ministries of apostles/prophets will have the very Nurturing Loving mother Heart of Jesus (mother hen) for that which God is brooding over now (eggs and a few chicks) and bringing forth in His Church (barn) ... the Promise of His Word will come in new birth and life (eggs/chicks) and as this dream portrays it is already beginning ! (a few chicks)

"O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings ... " Mt.23: 37, cross ref. Luke 13: 34

Jerusalem, or New Jerusalem as described in the book of Revelation, can speak to His perfected and ordered Building/City/ Church/Bride ...

3.) In this upsetting scene, the large strong capable man represents a coinciding aspect of the ministry of apostles/prophets who are filled with Holy Spirit strength and authority and capabilities! The Church (my house and yard) will see and welcome the ministry of apostle/prophets (open front door), BUT there will be some 'fear of The Lord' involved in their administration of cleaning house, so to speak..... They will round up and cleanse from hidden places (BACK yard) and kill the false and demonic that has hidden in The Church (house/yard) up to this point in time, and will now be brought to view/SIGHT for all to see, through this appointed of God, appointment ministry of apostles/prophets.

The ministry of apostles/prophets will force the Body of Christ, each individual member, to choose (is this a pet pig?) to let loose of the unclean in their midst which some have harbored as a 'house pet's' (possibly in part, doctrines of demons? = pig). This will be very unsettling and a quick clean 'kill' by masterful strokes of these equipped ones (special butchering knife) apostles/prophets in unity working, who have been formed by The Master Himself for this time of cleansing OUT (killing) of the demonic in His Body/Church/People (my house/home/yard).

.....

In relation to this the Lord reminds me now of the words Jesus spoke to His disciples concerning the last day times, before His return to earth ... "When ye therefore shall SEE the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) ... flee to the mountains..." Mt. 24:15 and v. 21 For then shall be great tribulation..." and v. 27,28 "For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. For wheresoever the carcass is, there will the EAGLES be gathered together."

Editors note: It is important to keep in mind that it is not the intent of the apostolic or the prophetic (or of this prophecy) to 'lord it over the church' (Matt 20:25). Rather, the greatest among us are the servants of all. The kingdom of God is like a net (Matt 13:47), not like a pyramid with the apostles on top.
